## CONGRESS

I have stood by President Wilson on all administration measures and invite you to investigate by record. If it meets your approval I will appreciate both your influence and vote for Representative in Congress for the 17th District on the Democratic ticket at the primary August 11th.

**WILLIAM A. ASHBROOK.**  
My plurality in the old 17th District in 1906, was 485; in 1908, 7173; in 1910, 10,934 and in 1912, 19,762.

## To the Voters of Knox County:

I am a candidate for the Democratic nomination for Congress in the 17th Congressional District to be decided at the August primary. Your vote and influence is solicited.

Curtis E. McBride.

## PROSECUTING ATTORNEY

I am a candidate for nomination for Prosecuting Attorney subject to the Democratic primaries to be held August 11th. Two years ago I was the Democratic candidate and made the race against a SECOND TERM man, against whom there was no chance for election. I feel warranted, therefore, in asking for the nomination when there is a reasonable show for victory. Your vote and influence will be appreciated.

David B. Rawlins.

## COMMISSIONER

I desire to announce that I am a candidate for the Democratic nomination for county commissioner, subject to the decision of the voters at the primaries to be held August 11. Your support will be appreciated.

## Verdict For Defendant—

In the case of Lucas vs. Culver et al., the jury returned a verdict for the defendants on Tuesday afternoon after being out three hours, finding that the paper in question was the last will and testament of Angeline Fink. The suit was brought to set aside the will of the late Mrs. Fink. The case was hotly contested on both sides and a large number of witnesses were examined. Seven attorneys were interested in the case. Lewis B. Houck, Robert L. Carr and Columbus Ewalt represented the plaintiff while Judge F. O. Levering, Judge P. A. Berry, Lot C. Stillwell and Frank Moore represented the defendants.

## CLASS DAY

## Exercises Held By Danville-Buckeye City Schools Today

Danville, Ohio, May 27—Class Day was held by the students and teachers of the Danville and Buckeye City schools Wednesday. The program of events was begun in the morning and was scheduled to last all day. One of the interesting features of the morning was a ball game at 10 o'clock between the girls of the Freshman and Sophomore classes. The Sophomore girls won by a score of 11 to 9. The teams were organized for the occasion about three weeks ago.

A general athletic program was arranged for the day. Besides the several other athletic events on the program, a base ball game was played in the afternoon by the boys. The events were for children of all ages and sizes.

One of the day's features, the one occasioning, probably, the most interest, was an inter-class debate held at the school building between debating teams selected from various classes. The subject of the debate was:

Resolved, "That final examinations should be given to all pupils instead of to only part of them."

The debate was started at 1 o'clock and was attended by a large audience of pupils and parents.

The Senior class play will be given this evening.

The work was most impressive. The complete musical program was rendered by the Masonic quartette, composed of Messrs. George B. Kelley, William Gower, Norman G. Turner and George E. Mitchell.
